

## WOODLAND POND CLUBHOUSE AND POOL SUMMER RENTALS

Any adult WPS&RC member over the age of 23 may rent the Clubhouse during the day or evening. You do not have to wait for the pool to close in the evening to start your party.

Two hour daytime children's parties can be held inside the Clubhouse for \$60.

If you are having a daytime party and also inviting friends to swim, the party may be held outside the Clubhouse at no extra charge, except for the usual \$3.00 fee per non-member guest who will be swimming. Children under the age of 5 are not charged a fee. Non-swimming adult guests in street attire are not charged a fee. *Only cash/checks or the ORANGE COLORED POOL PASSES will be accepted this year for party guests.* The orange passes [10 for \$25.00] may be purchased from Membership Director, Dana Keefer. The party must be scheduled in advance, so Douglas Aquatics knows to expect extra people in the pool that day and can schedule lifeguards accordingly. The host must sign in at the lifeguard desk with a list of the names of their guests. If the party guests are children of members, please have their membership number.

The pool may be rented for private functions after hours. Rental fee is \$75 Sun. - Thurs. nights and \$100 for Friday or Sat. night PLUS the cost of lifeguards as set by Douglas Aquatics. A contract must be signed and all fees along with a \$150 Security Deposit are payable at least two weeks in advance of the reservation date.

Evening private functions that include use of the pool and the clubhouse incur both a Clubhouse rental fee AND a Pool rental fee PLUS the cost of the lifeguards.

If your friends who are not members of the WPS&RC would like to rent the clubhouse, they may do so with your sponsorship of their party.

The charcoal grills are there for everyone's use. Please make sure coals are fully extinguished after use. The gas grills belong to the Swim Team.

Please contact Susan Humble at 796-4989 or [wpclubhouse@yahoo.com](mailto:wpclubhouse@yahoo.com) to schedule your next party.
